

# Why Russia?

Maybe not for:

**Area**

17,075,200 sq km (6,592,800 sq mi)

**Population**

142,905,200 Million (2010 census)

**Population Density**

9-persons per sq km

**9 time zones**

But to challenge yourself, to begin to discover a country and a people with a history, a language, literature, music and opportunities like nowhere else in the world.

By "thinking out of the box" and choosing a country, which is still unknown territory for many, you may just catch the eye of a future employer checking your application and get that first exciting international job after graduation.

**International office**

### Why GSOM SPbU?

- The only EQUIS accredited school and the only CEMS and PIM member in Russia
- A young Institute (since 1993) under the oldest University in Russia (founded in 1724)
- Selected by the Russian Government to create national standards for business education
- Pioneer and innovator of Management Education in Russia with its International Advisory Board
- Master Programs taught in English with a compulsory period of exchange for all Master Program students
- Bachelor in International Management Program taught in English
- Free mover semester options

Study abroad will always bring challenges: from discovering how to get the courses you need, to figuring out how to get just about everything practical to work in your life in this new setting - from public transportation

...to what to do when you are out very late and all the bridges are up!

But at GSOM you will be:

- Met at the airport
- Guaranteed a place in the Dorms (OK – its really basic, but very cheap)
- Supported by your buddy and the International Office
