

EVALUATION LETTER

Course: Consulting project

Company: 3M Russia

Company's representative: Dmitry Ermilov

Topic: 3M Corrosion Protection Products: Opportunities and Development in Russian Construction Market

Students: Antti Holopainen
Henri Inkinen
Maria Teplykh
Tatyana Mikhailova

Grade: 8 out of 10

Comments: Basically we have found the results of the project useful for our business but we feel the students definitely had the opportunity to perform better. That is the reason why the grade is not 10 but 8. Anyway we would like to thank the students for the work on the project for our company and express the readiness to continue relationships with GSOM in frames of Consulting Project course realization.
