**Step 2.** In the download window choose the appropriate file according to your PC Operation System.

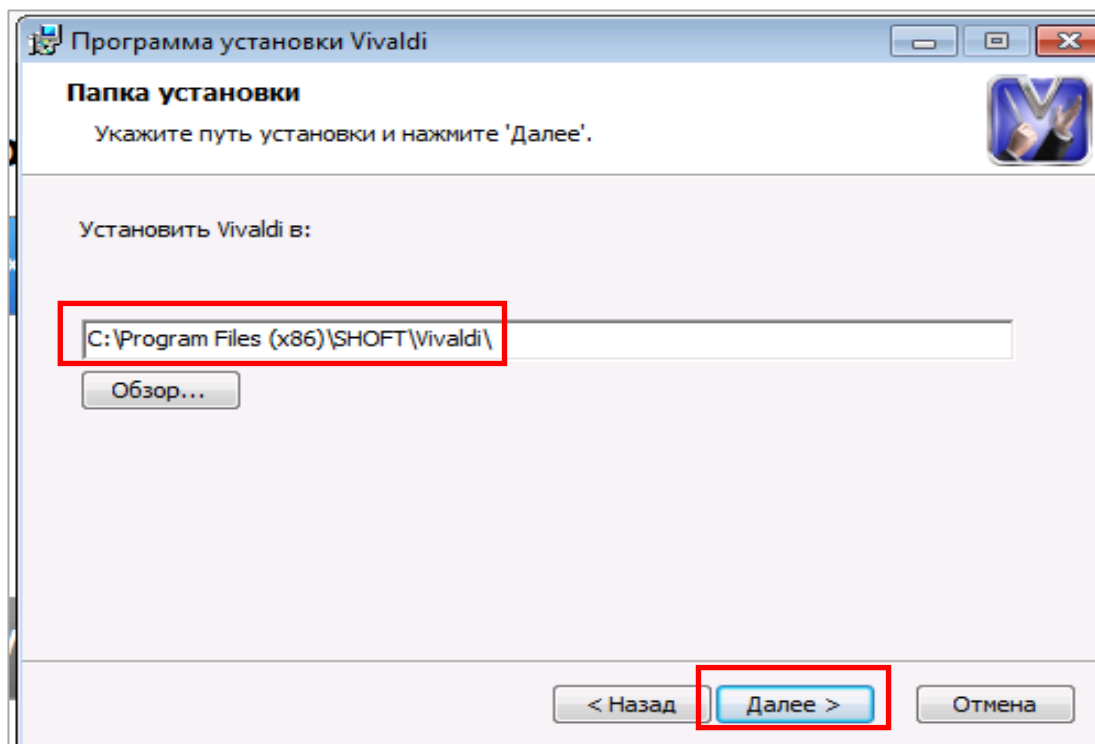

**Step 3.** Confirm the further download by choosing «Install» and «Далее» (Next).

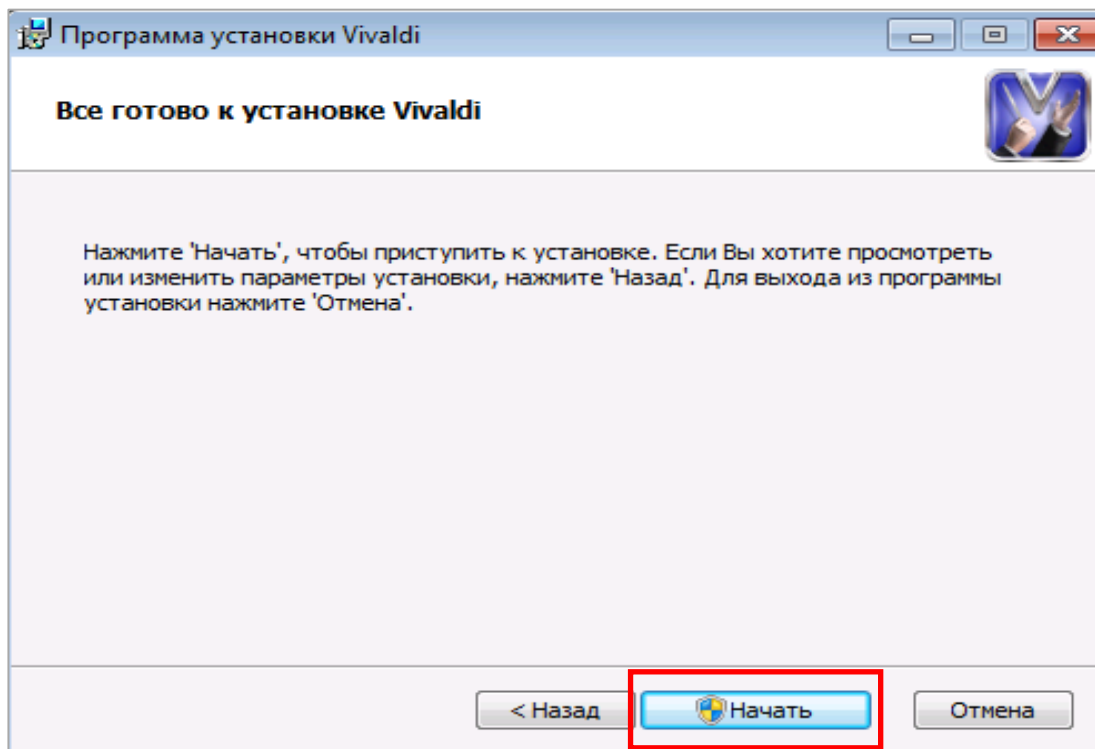

**Step 4.** Please, check the box to “Accept” the license agreement terms of Vivaldi Platform and then click “Далее” (*Next*).

**Step 5.** Please, specify the folder for the software download (click “Далее” (*Next*)).

**Step 6.** Choose the option “**Начать**” (**Start**) to run the installation.

*The Vivaldi Software should be installed only once at your PC. It will be automatically opening files during the next sessions.*
